Hello Elected Officials!

Imperial Hwy is desperately in need of clean up! I am guessing this is LA County/City jurisdiction.

What does it take to get this accomplished?

My friend Lindsay and I are the self proclaimed trash-picker-uppers of ES and we spent nearly two hours on the north side of Imperial Ave, from Main St to Clutters Bluff on Saturday. (please also note 2-3 times a week we do Grand Hill to the parking lot and occasionally through downtown and by Richmond, Rec Park and the High School).

Is this something that we can get permits and volunteers to do. I know it has gotten done before...and I know at the speeds cars travel on that road, safety is important-using cones as a safety barrier is most needed! I also know that dealing with LA City/County is a challenge at best.

Please advise...our nice new ES sign on Imperial Greenbelt needs a nice lead up...sort of like a red carpet rather than a trash strewn wasteland.

Thank you
